Dear Supporter of Women's Health Specialists,

We invite you to become a sponsor of Women's Health Specialists (WHS) Annual 2023 Fund-A-Thon, an online campaign event in partnership with the National Network of Abortion Funds. In celebration of our successes from this event we are hosting an 80s themed Bowl-A-Thon event at Shasta Lanes. A night filled with absolute liberation, costume contests, prizes, and striking down abortion barriers!

WHS is a local reproductive health clinic, serving the community since 1975. Providing services in 12 counties and is an important asset to ensuring all individuals regardless of race, sex, or income have access to necessary healthcare. Despite the recent attacks on reproductive healthcare WHS continues to prevail. Our clinic aims to support young people by education and prevention sessions, condom distribution, and local events while letting everyone know where to access confidential reproductive health care in their area. Through our work to fight for reproductive justice, absolute liberation & abortion access for all, we are paving the way for a brighter future!

All donations will be going to Women's Health Specialists to continue providing access to all people in our surrounding community. Your sponsorship is needed to ensure that all people have access to the reproductive freedom they deserve.

If you would like to make a financial sponsorship, please send a check with the sponsor form attached or go online to sponsor at www.cawhs.org/fund-a-thon.

Yours Sincerely,
Alicia Kenyon-Diaz
